## Replacement Cartridge: EV9270-20

### Filtration/Softening Cartridge—SCS-350

- Delivers premium quality water for superior tasting coffee.
- Unique 3-stage blending cartridge provides softened, buffered, & filtered water.
- High capacity Fibredyne carbon block provides enhanced chlorine taste and odor reduction.
- Small amount of carbon filtered water bypasses softening resin to allow proper initial hardness.
- Reduces hardness in water that can cause minerals to build up in coffee and espresso equipment.
- Reduces minerals such as calcium and magnesium.
- Reduces chlorine, off tastes, and odors.
- Sanitary cartridge replacement is simple, quick, and clean. Internal filter parts are never exposed to handling or contamination.

**EXCLUSIVE  
DISTRIBUTION**

Reduces dirt and sediment
